SFS acquires German supplier of fastening systems for flat roofs

On April 1, the SFS Group is acquiring Harald Zahn GmbH, a leading supplier of fastening systems for flat roofs. With this acquisition, SFS is strengthening its market presence in the German and Austrian construction industry. In 2025, the flat roof specialist Zahn generated sales of around EUR 8 million with 45 employees.

Harald Zahn GmbH develops and manufactures high-quality and innovative fastening systems for flat roofs. The company, headquartered in Wiesloch (Germany), was founded in 1981 and generated sales of around EUR 8 million in 2025 with 45 employees.

By acquiring the company, SFS is expanding its market access in the German and Austrian construction industry as well as its range of flat roof services. The acquisition also opens up international growth potential for the product solutions of Harald Zahn GmbH.

The company will still be based in Wiesloch and will become part of the Fastening Systems segment, which manufactures mechanical fastening systems for the construction industry.

About the SFS Group

SFS is a worldwide leading company for application-critical precision components and assemblies, mechanical fastening systems, quality tools and procurement solutions. The SFS Group operates in the three segments Engineered Components (EC), Fastening Systems (FS) and Distribution & Logistics (D&L), which represent the company's different business models. In the EC segment, the SFS Group acts as development and manufacturing partner for customer-specific precision components, assemblies and fastening solutions, serving customers in the automotive, electronics and medical device industries, as well as in the aerospace sector and in industrial manufacturing. The FS segment develops, manufactures and markets application-specific mechanical fastening systems for the construction industry. In the D&L segment, the SFS Group is one of the leading system partners in the areas of quality tools, fasteners and other C-parts as well as procurement solutions for customers in industrial manufacturing. The SFS Group operates 150 manufacturing and distribution sites in 35 countries in Asia, Europe and North America. It generated sales of CHF 3,056.6 million in the 2025 financial year with a workforce of approximately 13,600 (FTEs) around the world.
